Trustee Cashman

- Joe Fronda will be done on 11/30 and will be on call for snow removal and coverage for vacations or illness.

Mayor Burke

- There will be a meeting on 12/5 on the Elevator Project with engineer, architect and contractor
- There continues to be a problem with vehicles parking between the sidewalk and the street. The current Code requires the offender to receive a 30-day notice which is not a timely solution to the infraction. Trustees will review the section of Code that pertains to parking on Mill St. and discuss at next meeting.
- ISO insurance review will be done in December. All parties should be prepared to answer questions.

Respectfully submitted,

Susan E. Fox, Village Clerk
