Parks/Public Works:

1. Yard waste collection is scheduled to end this week, with the last scheduled pickup in the Village today. Leaf pickup will continue, as needed, being done by our 2-person Village crew.
2. Public Works is putting up signs this week to remind residents of **no parking** areas on the street and new signs saying **no parking on the grass** (primarily along Chenango Street).
3. The Village wants to thank the **Outdoor Club** of Binghamton University for providing over 20 volunteer members to help in our Park riverbank cleanup effort on Saturday, October 3rd. It was a miserable day, with rain, yet they were still able to drag nearly 2 tons of discarded tires up from the weeds. I want to thank Rob Moss and the Port Dickinson Community Association for providing bottled water and snacks for the volunteers.
4. We are reviewing the conditions of all of the streets in the Village to determine which ones to resurface next year using CHiPs funding. Streets that have been paved using CHiPs money in the previous 10 years are not eligible.
5. NYSEG recently hired contractors to trim trees along some power lines in the Village and they were here for 2 or 3 days, and have now left. Their cuts, while still extensive on the few trees they serviced, were more tree-friendly than those made by a different company a few years ago.
